**COMMUNICATION REQUESTING CORRECTION OF THE OFFICIAL FILING
RECEIPT AND FORM PCT/DO/EO/903**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants request the following corrective actions be taken in connection with the above-identified application.

I. Correction to Filing Receipt and Form PCT/DO/EO/903

Facts:

Applicants submitted a communication July 22, 2008 requesting that the record be corrected to reflect that the date the requirements under 35 USC §§ 371(c)(1), (c)(2) and (c)(4) were satisfied was July 13, 2006.

The communication was treated as a Petition under 37 CFR §1.181. The decision to grant the petition issued September 24, 2008. A copy of this decision, with the title corrected, is attached (Exhibit A).

An updated Filing Receipt and 371 Notification of Acceptance were subsequently mailed on November 5, 2008. Both documents incorrectly indicated that the date the requirements under 35 USC §§371(c)(1), (c)(2) and (c)(4) were satisfied was June 13, 2006. The Notification of Acceptance also erroneously indicated that the date of receipt of the Oath was June 13, 2006. Marked-up copies of these documents are attached (Exhibits B and C).

Relief requested:

Applicants request the following relief pursuant to the granted Petition:

1. That the Notification of Acceptance (Form PCT/DO/EO/903) mailed November 5, 2008 be vacated.
2. That the Office issue a corrected Notification of Acceptance listing July 13, 2006 as the date the requirements under 35 USC 371(c)(1), (c)(2) and (c)(4) were satisfied and the date that the oath was received, in accordance with the granted petition.
3. That the Office issue updated filing receipt listing July 13, 2006 as the § 371(c) date, in accordance with the granted petition.

II. Power of Attorney

Facts:

Applicants submitted an executed Declaration and Power of Attorney for U.S. Patent Applications on July 13, 2008. The document stated that the practitioners associated with **customer number 00324** were appointed power of attorney. A copy of this document is attached, marked up to indicate the recitation of the customer number on page 3 (Ex. D).

The USPTO PAIR website currently lists only Shiela Loggins as the Attorney/Agent associated with this application. A copy of the PAIR data is attached (Ex. E).

Relief Requested:

Applicants request that the bibliographic data for this application be updated to include all of the practitioners associated with **customer number 00324** in accordance with the executed Declaration and Power of Attorney.

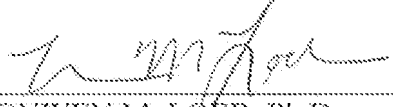

Conclusion

Applicants believe no fee is due for this paper. In the event that the Office believes that there are fees outstanding in the above-referenced matter, the Office is authorized to charge the outstanding fees to Deposit Account No. 50-0573. The Office is likewise authorized to credit any overpayment to the same Deposit Account Number.

Respectfully submitted,

RAY DAVENPORT *et al.*
